

Single-Sort Recycling Service

This means you can put all your recyclables together, no sorting needed! Use your green cart with the yellow lid to place all your standard recyclables together. Place your carts at the curb no earlier than sundown on the day before collection or no later than 6:00 a.m. the day of collection. After collection, all carts should be removed from the front yard no later than the evening of your collection day.

2015 CALENDAR
INSIDE

The City of Bismarck has selected Waste Management to be the provider of residential single-sort recycling services for Bismarck Residents.

Ever wonder, “Why and how to recycle?” Sure, it’s good for the environment, but there’s more to it than that. When you use Recycle Often. Recycle Right.™ great things happen.

By recycling properly, we can save tons of raw materials, which in turn saves time, energy and expense. Consider this: recycling just one aluminum can saves enough energy to:

- Run a TV for two hours.
- Power a 14-watt CFL blub for 20 hours.
- Power a computer for three hours.

The Main Rules of Recycling:

1. Recycle all bottles, cans and paper.
2. Keep items clean and dry
3. NO plastic bags.

We need your help to sustain recycling. Certain offenders can slow down the recycling process or even ruin the load.

If we all do our part, the results can really add up. Last year alone, Waste Management recycled enough material to fill nearly 169,000 737s.

What Needs to Be Done Before Recyclables Go Into the Container?

- Leave caps loosely on bottles
- Rinse cans, bottles and jars
- No need to remove labels
- Flatten your cardboard and paperboard to save space
- No plastic bags (such as grocery bags) or foam cups
- All recyclable materials must be inside the tote. Material outside of the tote will not be picked up.

Hazardous Items

Waste Management will not collect solid or liquid hazardous waste. Household hazardous waste and electronics items can be brought to the Household Hazardous Waste and Electronics facility at no extra charge for city residents.

Clean-Up Weeks

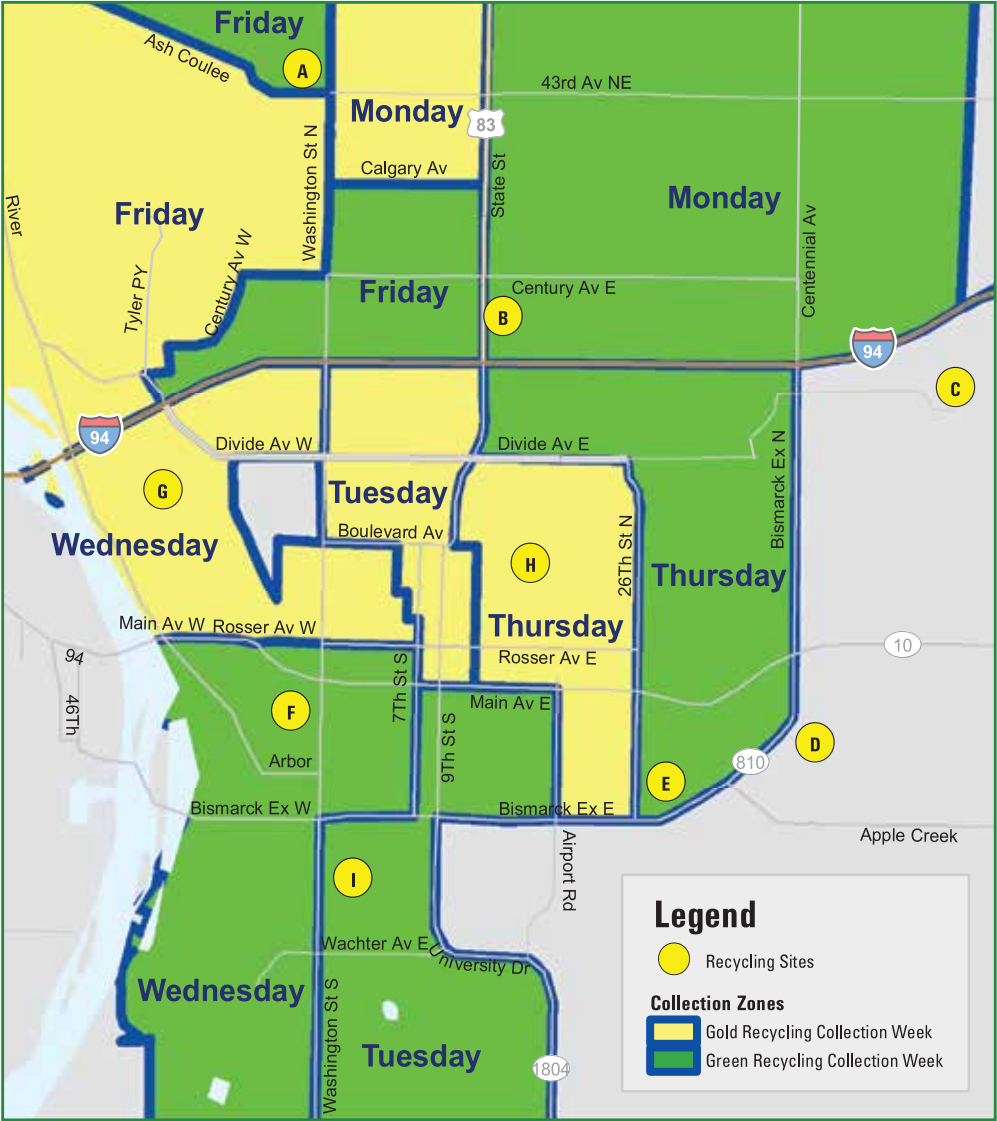

The City of Bismarck will continue to offer Spring and Fall Clean-Up Weeks which offers residents an opportunity to dispose of unwanted items that aren’t normally picked up on garbage collection days such as furniture, appliances, tires and other large items.

Spring Clean-Up Week - April 27 - May 1, 2015 • Fall - September 21-25, 2015
